To Whom It May Concern:

I am writing this reference for Roosevelt Johnson and RJE Enterprises. RJE has showcased their tour here at the University of Georgia every year since 2005. We have featured such headlining comedians as Lavell Crawford, Gary Owen and Tony Roberts during these years. All of the artists that we have booked with RJE have showcased on time and have never cancelled. Another amazing point for RJE is that they have never had to switch artist on us, which just proves that the performers respect them as much as we do here at UGA.

While I realize that this sounds like the typical reference letter, RJE is dependable, reliable, and professional. He really has always gone the extra mile for us if we needed. Because of that, UGA will definitely work with him in the future. If your school is considering working with RJE and you have any questions, please feel free to contact me at anytime.
